IMPORTANT!
This Cross Reference Chart is based on current SDS information as supplied to FBS by the various manufacturers and is intended as general guide line. FBS can not be responsible for chemical changes made by the manufacturers, and the resulting compatibility with the sprayers.
For products not listed in this guide, please refer to "Chemical Compatibility Index" on our web site. When in doubt you may fax or e-mail SDS directly to us.

Damage attributable to improper use, faulty maintenance, the effects of chemicals or normal wear and tear (seals/o-rings) is excluded from Limited product Warranty.
Copying or Reproducing parts or in whole of information in this guide is strictly prohibited without prior authorization or approval from FBS Distribution Co. Inc. September 2018
